Certification Statement

I certify that I have carefully read the attached sections of the Federal provider-based regulations, before signing this attestation, and that the facility/organization complies with the following requirements to be provider-based to the main provider.

I attest that the facility/organization complies with the following requirements to be provider-based to the main provider (please indicate Yes or No for each requirement):

Requirement 1 — Licensure

The department of the provider, the remote location of a hospital, or the satellite facility and the main provider are operated under the same license, except in areas where the State requires a separate license for the department of the provider, the remote location of a hospital, or the satellite facility, or in States where State law does not permit licensure of the provider and the prospective department of the provider, the remote location of a hospital, or the satellite facility under a single license.

☐ Yes ☐ No ☐ N/A

If the provider and facility/organization are located in a state having a health facilities' cost review commission or other agency that has authority to regulate the rates charged by hospitals or other providers, the commission or agency has not found that the facility/organization is not part of the provider.

☐ Yes ☐ No ☐ N/A

Requirement 2 — Clinical Integration

The clinical services of the facility or organization seeking provider-based status and the main provider are integrated.

2a. Professional staff of the facility or organization have clinical privileges at the main provider.

☐ Yes ☐ No ☐ N/A

2b. The main provider maintains the same monitoring and oversight of the facility or organization as it does for any other department of the provider.

☐ Yes ☐ No ☐ N/A

2c. The medical director of the facility or organization seeking provider-based status maintains a reporting relationship with the chief medical officer or other similar official of the main provider that has the same frequency, intensity, and level of accountability that exists in the relationship between the medical director of a department of the main provider and the chief medical officer or other similar official of the main provider, and is under the same type of supervision and accountability as any other director, medical or otherwise, of the main provider.

☐ Yes ☐ No ☐ N/A

2d. Medical staff committees or other professional committees at the main provider are responsible for medical activities in the facility or organization, including quality assurance, utilization review, and the coordination and integration of services, to the extent practicable, between the facility or organization seeking provider-based status and the main provider.

☐ Yes ☐ No ☐ N/A

2e. Medical records for patients treated in the facility or organization are integrated into a unified retrieval system (or cross reference) of the main provider.

☐ Yes ☐ No ☐ N/A

2f. Inpatient and outpatient services of the facility or organization and the main provider are integrated, and patients treated at the facility or organization who require further care have full access to all services of the main provider and are referred where appropriate to the corresponding inpatient or outpatient department or service of the main provider.

☐ Yes ☐ No ☐ N/A

Requirement 3 — Financial Integration

The financial operations of the facility or organization are fully integrated within the financial system of the main provider, as evidenced by shared income and expenses between the main provider and the facility or organization. The costs of a facility or organization that is a hospital department are reported

in a cost center of the provider, costs of a provider-based facility or organization other than a hospital department are reported in the appropriate cost center or cost centers of the main provider, and the financial status of any provider-based facility or organization is incorporated and readily identified in the main provider's trial balance.

☐ Yes ☐ No ☐ N/A

Requirement 4 — Public Representation

The facility or organization seeking status as a department of a provider, a remote location of a hospital, or a satellite facility is held out to the public and other payers as part of the main provider. When patients enter the provider-based facility or organization, they are aware that they are entering the main provider and are billed accordingly.

☐ Yes ☐ No ☐ N/A

Requirement 5 — Hospital Outpatient Department Obligations

(If the facility is not a hospital outpatient department or a hospital-based entity, please record "NA" for "not applicable" and skip to requirements under number 6.)

5a. Hospital outpatient departments located either on or off the campus of the hospital that is the main provider comply with the anti-dumping rules in §§489.20(l), (m), (q), and (r) and §489.24 of chapter IV of Title 42.

☐ Yes ☐ No ☐ N/A

5b. Physician services furnished in hospital outpatient departments or hospital-based entities (other than RHCs) are billed with the correct site-of-service so that appropriate physician and practitioner payment amounts can be determined under the rules of Part 414 of chapter IV of Title 42.

☐ Yes ☐ No ☐ N/A

5c. Hospital outpatient departments comply with all the terms of the hospital's provider agreement.

☐ Yes ☐ No ☐ N/A

5d. Physicians who work in hospital outpatient departments or hospital-based entities comply with the non-discrimination provisions in §489.10(b) of chapter IV of Title 42.

☐ Yes ☐ No ☐ N/A

5e. Hospital outpatient departments (other than RHCs) treat all Medicare patients, for billing purposes, as hospital outpatients. The departments do not treat some Medicare patients as hospital outpatients and others as physician office patients.

☐ Yes ☐ No ☐ N/A

5f. In the case of a patient admitted to the hospital as an inpatient after receiving treatment in the hospital outpatient department or hospital-based entity, payments for services in the hospital outpatient department or hospital-based entity are subject to the payment window provisions applicable to PPS hospitals and to hospitals and units excluded from PPS set forth at §412.2(c)(5) of chapter IV of Title 42 and at §413.40(c)(2) of chapter IV of Title 42, respectively. *(Note: If the potential main provider is a CAH, enter "NA" for this item.)*

☐ Yes ☐ No ☐ N/A

5g. When a Medicare beneficiary is treated in a hospital outpatient department or hospital-based entity (other than an RHC) that is not located on the main provider's campus, and the treatment is not required to be provided by the antidumping rules in §489.24 of chapter IV of Title 42, the hospital provides written notice to the beneficiary, before the delivery of services, of the amount of the beneficiary's potential financial liability.

- ☐ ☐ The notice is one that the beneficiary can read and understand.
- ☐ ☐ If the exact type and extent of care needed is not known, the hospital furnishes a written notice to the patient that explains that the beneficiary will incur a coinsurance liability to the hospital that he or she would not incur if the facility were not provider-based.
- ☐ ☐ The hospital furnishes an estimate based on typical or average charges for visits to the facility, but states that the patient's actual liability will depend upon the actual services furnished by the hospital.
- ☐ ☐ If the beneficiary is unconscious, under great duress, or for any other reason is unable to read a written notice and understand and act on his or her own rights, the notice is provided before the delivery of services, to the beneficiary's authorized representative.
- ☐ ☐ In cases where a hospital outpatient department provides examination or treatment that is required to be provided by the antidumping rules at §489.24 of chapter IV of Title 42, the notice is given as soon as possible after the existence of an emergency condition has been ruled out or the emergency condition has been stabilized.

5h. Hospital outpatient departments meet applicable hospital health and safety rules for Medicare-participating hospitals in 42 CFR Part 482.

☐ Yes ☐ No ☐ N/A

Requirement 6 — Ownership and Control (Off-Campus Facilities)

In addition to the above requirements (numbers 1–5h), I attest that the facility/organization complies with the following requirements to be provider-based to the main provider as an off-campus facility (please indicate Yes or No for each requirement):

The facility or organization seeking provider-based status is operated under the ownership and control of the main provider, as evidenced by the following:

6a. The business enterprise that constitutes the facility or organization is 100 percent owned by the provider.

☐ Yes ☐ No ☐ N/A

6b. The main provider and the facility or organization seeking status as a department of the provider, a remote location of a hospital, or a satellite facility have the same governing body.

☐ Yes ☐ No ☐ N/A

6c. The facility or organization is operated under the same organizational documents as the main provider. For example, the facility or organization seeking provider-based status is subject to common bylaws and operating decisions of the governing body of the provider where it is based.

☐ Yes ☐ No ☐ N/A

6d. The main provider has final responsibility for administrative decisions, final approval for contracts with outside parties, final approval for personnel actions, final responsibility for personnel policies (such as fringe benefits or code of conduct), and final approval for medical staff appointments in the facility or organization.

☐ Yes ☐ No ☐ N/A

Requirement 7 — Reporting Relationship

The reporting relationship between the facility or organization seeking provider-based status and the main provider has the same frequency, intensity, and level of accountability that exists in the relationship between the main provider and one of its existing departments, as evidenced by compliance with all of the following requirements:

7a. The facility or organization is under the direct supervision of the main provider.

☐ Yes ☐ No ☐ N/A

7b. The facility or organization is operated under the same monitoring and oversight by the provider as any other department of the provider and is operated just as any other department of the provider with regard to supervision and accountability. The facility or organization director or individual responsible for daily operations at the entity:

- ☐ Maintains a reporting relationship with a manager at the main provider that has the same frequency, intensity, and level of accountability that exists in the relationship between the main provider and its existing departments; and
- ☐ Is accountable to the governing body of the main provider, in the same manner as any department head of the provider.

☐ Yes ☐ No ☐ N/A

7c. The following administrative functions of the facility or organization are integrated with those of the provider where the facility or organization is based: billing services, records, human resources, payroll, employee benefit package, salary structure, and purchasing services. Either the same employees or group of employees handle these administrative functions for the facility or organization and the main provider, or the administrative functions for both the facility or organization and the entity are (1) contracted out under the same contract agreement; or (2) handled under different contract agreements, with the contract of the facility or organization being managed by the main provider.

☐ Yes ☐ No ☐ N/A

Requirement 8 — Geographic Proximity

The facility or organization is located within a 35-mile radius of the campus of the potential main provider, except when the requirements in paragraphs 8a, 8b or 8c of this section are met (please check

below in the appropriate location if you qualify for the exemption):

8a. The facility or organization is owned and operated by a hospital or CAH that has a disproportionate share adjustment (as determined under §412.106 of chapter IV of Title 42) greater than 11.75 percent or is described in §412.106(c)(2) of chapter IV of Title 42 implementing section 1886(e)(5)(F)(i)(II) of the Act and is:

- ☐ ☐ Owned or operated by a unit of State or local government;
- ☐ ☐ A public or nonprofit corporation that is formally granted governmental powers by a unit of State or local government; or
- ☐ ☐ A private hospital that has a contract with a State or local government that includes the operation of clinics located off the main campus of the hospital to assure access in a well-defined service area to health care services for low-income individuals who are not entitled to benefits under Medicare (or medical assistance under a Medicaid State plan).

☐ Yes ☐ No ☐ N/A

8b. The facility or organization demonstrates a high level of integration with the main provider by showing that it meets all of the other provider-based criteria and demonstrates that it serves the same patient population as the main provider, by submitting records showing that, during the 12-month period immediately preceding the first day of the month in which the attestation for provider-based status is filed with CMS, and for each subsequent 12-month period:

- ☐ ☐ At least 75 percent of the patients served by the facility or organization reside in the same zip code areas as at least 75 percent of the patients served by the main provider;
- ☐ ☐ At least 75 percent of the patients served by the facility or organization who required the type of care furnished by the main provider received that care from that provider; or
- ☐ ☐ If the facility or organization is unable to meet the criteria in (1) or (2) directly above because it was not in operation during all of the 12-month period described in paragraph 8b, the facility or organization is located in a zip code area included among those that, during all of the 12-month period described in paragraph 8b, accounted for at least 75 percent of the patients served by the main provider.

☐ Yes ☐ No ☐ N/A

8c. If the facility or organization is attempting to qualify for provider-based status under this section, then the facility or organization and the main provider are located in the same State or, when consistent with the laws of both States, in adjacent States.

☐ Yes ☐ No ☐ N/A

Note: An RHC that is otherwise qualified as a provider-based entity of a hospital that is located in a rural area as defined in §412.62(f)(1)(iii) of chapter IV of Title 42, and has fewer than 50 beds as determined under §412.105(b) of chapter IV of Title 42, is not subject to the criteria in 8a and 8b above.

Requirement 9 — Management Contract

The facility or organization meets the requirements of 1–8 above, but is operated under a management contract, meets all of the following criteria (*please respond to 9a–9d if the facility is operated under a management contract; otherwise record "NA" for "not applicable"*):

9a. The main provider (or an organization that also employs the staff of the main provider and that is not the management company) employs the staff of the facility or organization who are directly involved in the delivery of patient care, except for management staff and staff who furnish patient care services of a type that would be paid for by Medicare under a fee schedule established by regulations at Part 414 of chapter IV of Title 42. Other than staff that may be paid under such a Medicare fee schedule, the main provider does not utilize the services of "leased" employees (that is, personnel who are actually employed by the management company but provide services for the provider under a staff leasing or similar agreement) that are directly involved in the delivery of patient care.

☐ Yes ☐ No ☐ N/A

9b. The administrative functions of the facility or organization are integrated with those of the main provider, as determined under criteria in paragraph 7c above.

☐ Yes ☐ No ☐ N/A

9c. The main provider has significant control over the operations of the facility or organization as determined under criteria in paragraph 7b above.

☐ Yes ☐ No ☐ N/A

9d. The management contract is held by the main provider itself, not by a parent organization that has control over both the main provider and the facility or organization.

☐ Yes ☐ No ☐ N/A

Signature and Certification

I certify that the responses in this attestation and information in the documents are accurate, complete, and current as of this date. I acknowledge that the regulations must be continually adhered to. Any
