ORDER

PER CURIAM:

Petitioners seek review of the U.S. Fish and Wildlife Service's Incidental Take Statement, which authorized the Atlantic Coast Pipeline project to take certain threatened or endangered species. As to five of the affected species, Petitioners argue that the agency failed to set clear limits on take as required by the Endangered Species Act.

Exercising jurisdiction pursuant to 15 U.S.C. § 717r(d)(1), we conclude, for reasons to be more fully explained in a forthcoming opinion, that the limits set by the agency are so indeterminate that they undermine the Incidental Take Statement's enforcement and monitoring function under the Endangered Species Act. Accordingly, we VACATE the Fish and Wildlife Service's Incidental Take Statement. *See* 5 U.S.C. § 706(2). We reserve judgment on the parties' remaining disputes until our forthcoming opinion.

IT IS SO ORDERED.
